

## VOLUNTEERS

Volunteers are the heartbeat of Chevy Chase At Home - their commitment makes services in the home and transportation possible. All volunteers receive training that provides them with specific skills and strategies needed to support members who request assistance.

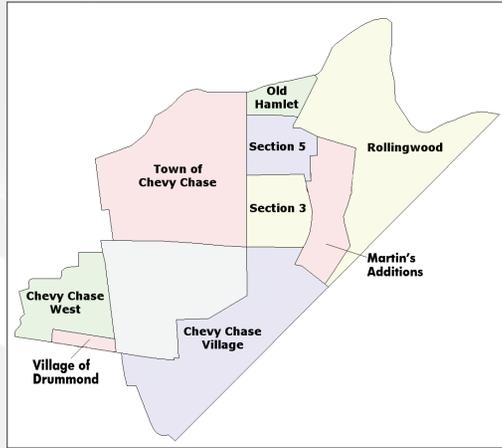

CC@ H volunteers are protected by the organization's insurance. Residents of all ages can volunteer for tasks suited to their own preferences, schedules, and skills. Volunteers foster an intergenerational spirit of community.

Our Board and Committee Members serve as two-fold volunteers: both in their official capacities and in assisting our members.

*We welcome your participation.*

## ABOUT CHEVY CHASE AT HOME

Chevy Chase At Home is a non-profit organization for residents of several Chevy Chase neighborhoods who wish to remain in their homes and stay connected to their community as they age. Part of a nationwide Village movement, CC@ H assists those who join to live independent, active lives in their own familiar surroundings. The map on the other side shows our boundaries and lists the communities.

Older adults in our designated neighborhoods who might need volunteer services are encouraged to join CC@ H as Members. Benefits available to members are listed in the next column.

Neighbors of all ages are welcome to join as Associates. Associates receive all the benefits listed in the third column. A significant portion of the fee for associates is tax-deductible and provides support for an important community resource that will be available later when you need it.

CC@ H also welcomes nearby neighbors who live outside our borders to join as Friends of Chevy Chase At Home; details are on our website.
