# About Chevy Chase At Home

**Chevy Chase At Home (CC@H)** is a non-profit organization for residents of nine Chevy Chase neighborhoods who wish to remain in their homes and stay connected to their community as they age. Part of a nationwide Village Movement, CC@H assists those who join to live independent, active lives in their own familiar surroundings.

Older adults in our designated neighborhoods (see map below) who may need volunteer services, as well as educational and social programs, are encouraged to join CC@H as **Members**. Neighbors of all ages are welcome to join as **Associates**. Associates have access to all the same programs that our Members do. Associates bring vital intergenerational connections to CC@H.

CC@H also welcomes nearby neighbors who live outside our borders to join as **Friends of Chevy Chase At Home**.

## *From the President and the Executive Director*

Dear Friends,

We are pleased to present the 2017 Annual Report of Chevy Chase At Home (CC@H). CC@H was incorporated in 2009 and began volunteer-provided services in 2011. This report marks our seventh full year of providing services, activities and programs to the older adult community in Chevy Chase, Maryland.

2017 has been a most successful year for us. We have assisted our member-neighbors with 1,960 individual services such as rides to appointments, assistance with computers and other technology, household chores, walks in the neighborhood, brunches and lunches together. Although we help each other in these many important ways, we are reminded daily that perhaps the best thing we do is to provide interactions, opportunities and events for all to enjoy, in the company of friends and neighbors we may have never known before CC@H existed. With all of our enjoyable programs and stimulating activities, we help prevent loneliness that can be so demoralizing, and indeed unhealthy, to those of us who are older, live alone, or suffer from a disability.

This year we have expanded our connections within the community as we continue to serve our members with essential services. We established a relationship with Chevy Chase Elementary School in the celebration of its 100th birthday, embarking on a Pen Pal program for young students with older correspondents of CC@H. We were fortunate to have the expertise of GTGTech, a local non-profit consulting group of high school women, who teach older adults about computers and other devices. We have continued the Storm Buddy program where every Member can feel secure that during inclement weather a nearby volunteer is available to assist, if needed. With Montgomery County Fire & Rescue Service, we visited 63 homes in our community and replaced smoke and carbon monoxide detectors to meet the 2018 standards of the State of Maryland for these devices.

We were mesmerized by David Duberman's talk, "The Intelligence Cold War in Western Europe: KGB vs. CIA," and we were treated to a talk by Alexandra Zapruder, a life-long Chevy Chase resident, who has written "Twenty-Six Seconds," concerning the effects, over decades, of the home movie taken by her grandfather, Abraham Zapruder, of the assassination of President John Kennedy. We sponsored a three-part series on Health Care and Aging from the perspectives of three professionals -- a gerontologist, a palliative care physician, and a health economist. Their insights provided their audiences with greater awareness of current medical practices and the future of long-term care.

So, it has been a vibrant year for Chevy Chase At Home, and we look forward to more in the future. We are grateful to the Members, Associates and Friends of CC@H; to the more than 100 volunteers who provide our services; to those who serve on committees and on the Board of Directors; and to all our supporters and contributors who help us enhance the lives of the people in our community.

# Our Events

CC@H events provide our members and the community the opportunity to stay connected in friendship, health and safety. **Meet and Mingles** are monthly programs designed to entertain, educate and engage our members and their neighbors. **Evening and Special Programs** feature experts and authors with an appeal to the community at large. CC@H partners with other groups through **Community Partner Events** to connect members and neighbors to vital services and information. **Member Events, Affinity Groups** and **Classes** are annual and ongoing member-inspired activities.

We thank the many presenters, musicians and volunteers who provided the following programs in 2017, and our instructors Sharon Gelboin-Katz and Irene Koegel for providing ongoing exercise classes.
